

Making Gifts of Stock to Emergency Pregnancy Services of Jacksonville, Inc.

Thank you very much for your consideration of a gift of stocks or bonds to Emergency Pregnancy Services.

Gifts of appreciated securities may offer a double benefit. You may be entitled to an income tax charitable deduction for the full fair market value of the stock, and capital gains tax may be avoided on these assets. Please contact your professional tax advisor for details.

Donating stocks or bonds can be a simple process. The easiest way is through your broker, via DTC (Depository Trust Company, an established national clearinghouse). Attached is a Wire Transfer Form you can send to your broker. Here are the four easy steps. Please:

1. Fill out the **Wire Transfer Form**, indicating the name and number of stocks or bonds you wish to transfer.
2. Fax the form to your broker.
3. Call Emergency Pregnancy Services at (904) 308-7510 and fax a copy to us at (904) 308-7003 so that we can identify your gift, if you wish us to do so. Unfortunately, gifts transferred via DTC do not retain the donor's name and information, so we can only rely on the information provided directly to us by you or your broker.
4. We will send you an acknowledgement of your donation when we receive notification (which can sometimes take several days).

If you would like to make other arrangements, or have any additional thoughts or questions, please call us at (904)308-7510.

*Thank you again for your generous contribution to
Emergency Pregnancy Services!*
